01

70.

> We want to create an ethos at Singularity University for the founding of new companies that are right at the birth of exponentially-growing fields.”

WHY ARE YOU STARTING SINGULARITY UNIVERSITY?

ILAUGHS! IT'S SOMETHING THAT NEEDS TO HAPPEN. I AM ABSOLUTELY CONVINCED THAT HUMANITY IS GOING TO UNDERGO SOME FUNDAMENTAL EVOLUTION OVER THE COURSE OF THE NEXT FEW DECADES. WE'RE GOING FROM EVOLUTION BY NATURAL SELECTION TO EVOLUTION BY INTELLIGENT DIRECTION. AND THE VAST AMOUNT OF BREAKTHROUGHS – SOME OF THE MOST AMAZING BREAKTHROUGHS ARE GOING TO OCCUR AT THE BOUNDARY CONDITIONS BETWEEN ALL THESE EXPONENTIALLY-GROWING FIELDS.

I FEEL THAT ALL DISCIPLINES (SOME MORE THAN OTHERS) ARE CRITICAL, AND ALL NATIONS WILL HAVE A ROLE IN THE EVOLUTION OF HUMANITY OVER THE DECADES AHEAD. AND SOMETIMES, KEY TECHNOLOGY BREAKTHROUGHS ARE REALLY FUNDAMENTALLY DEPENDENT ON OTHER BREAKTHROUGHS. FOR EXAMPLE, ENGINEERING CONCEPT MIGHT NEVER SEE THE LIGHT OF DAY BECAUSE SOMEONE CAN'T GET THE REQUIRED CAPITAL TOGETHER. SO IT'S VERY IMPORTANT TO TAKE PEOPLE WHO ARE BRILLIANT IN THEIR INDIVIDUAL
